

Show Cattle Solutions

EPIC
What separates class winners from champions? **HAIR!**

- Epic is cutting edge technology.
- There's no melatonin.
- Like all Sunglo products, Epic is research based.
- Field trials have shown that Epic produces the strongest results in the industry.
- Each bag yields approximately 30 days of feed additive per animal.

(25 lb bag) #F103100010

CATTLE POWER UP
Designed to assist show cattle in need of more energy and fatty acids to increase bloom, haircoat and cover.

- Formulated with "Rumen Bypass" technology.
- Contains high levels of Omega 3 and Omega 6 fatty acids.
- High palatability and utilization to allow quicker change in animal's composition.
- CATTLE POWER UP is pelleted (3/16")
- Easy blending into texturized, pelleted or meal complete feeds.

(50 lb bag) #F103650010

SHOW CATTLE EXPLOSION
For increased rate of gain, improved feed efficiency and increased carcass leanness in cattle fed in confinement for slaughter the last 28 to 42 days.

- Added whey, milk and barley
- 7.5% fat
- Provides a convenient method to use Optaflexx™ to show calf rations.
- Optaflexx™ may improve ribeye area upto 0.5" (Elanco research findings)
- Add to current ration.
- 1 bucket will feed 1 calf for 40 days when fed at the rate of 3/4 lb per day.

(30 lb pail) #F103108002

Distributed by Sunglo:

Star-Glo Top Dress Pellet (7908)
A pelleted feed formulated to give your show animal increased bloom and muscle tone.

(50 lb bag) #F100467995

A natural, highly palatable nutritional supplement formulated to improve animal health and well-being.

- Balanced with high-quality protein, vitamins, and minerals.
- Helps animals reach full genetic potential in skin and coat quality, muscling, and hoof condition.
- For decades Show Bloom has been the preferred supplement of champions!

Sunglo Feeds is the leading manufacturer of trusted premium show animal nutrition products.

All Sunglo show products are backed by the largest animal nutrition staff in North America.

Our winning reputation is built upon producing research based products that express the maximum genetic potential of your quality show animals.

Innovative Products!

Bloom & Fiber
A blend of ingredients designed to enhance your show feed formula.

- Mix 100 lb/ton Bloom & Fiber to help improve fill and bloom of show pigs.
- Can also be hand fed as a top dress at the rate of 0.25 to 0.5 lbs per head per day.

(50 lb bag) #F103650050

Clean Out w/Safeguard
Finally a convenient and easy way to deworm pigs!

- 5 day treatment regimen for the removal of lungworms, gastrointestinal worms and kidney worms.

(Box of 4 x 2.8 lb canisters) #F103206068

Gut Conditioner
For Swine with Occasional Gastric Upset.

- All pigs are prone to occasional gastric upset, but pigs that are transported, co-mingles, suspect to heat stress and limit fed are more vulnerable.

(Box of 4 x 2 lb canisters) #F103206071

Energy Products!

SUMO
A unique blend of high quality fat and milk components to ensure immediate acceptance and rapid change in bloom.

- 70% fat source that can be used in ration mix or as a top dress.
- Introduce at 2-4 ounces/day and increase as needed.
- Do not exceed 6 ½ % total dietary fat in ruminant animals.

(25 lb bag) #F103650037

LiquaFAT
A liquid oil top dress to add additional energy in the form of fat to the diet.

- Contains 2 ¼ times the level of calories compared to normal feed grains.
- A blended oil that maintains quality and freshness over time.
- Contains a highly palatable flavor to encourage intake.
- Can also be used to control dust in meal feeds.
- Do not exceed 6 ½ % total dietary fat in ruminant animals.

(44 lb pail) #F103650021

POWER UP
Designed to assist show animals in need of more energy and fatty acids to increase bloom, hair coat and cover.

- Contains high levels of Omega 3 and Omega 6 fatty acids.
- POWER UP is formulated with "Rumen Bypass" technology for use in sheep and goats.
- Swine utilize POWER UP efficiently as a normal fat source.
- High palatability and utilization to allow quicker change in animal's composition.

(25 lb bag) #F103650012

For the Final 30-45 days

FINAL CONTROL is a unique "top dress" product designed for use with Sunglo formulated show feeds when total feed intake is being restricted to achieve desired body weight or condition.

- Final control supplies critical nutrients needed to maintain muscle mass and shape during a "holding program".
- Feed 1 to 2 lbs per head per day along with the amount of regular show feed needed to achieve the desired weight when restricting total feed intake to 4 lb per day or less.

(35 lb bag) #F103206193

4-SURE is water-soluble electrolyte, amino acid, energy and vitamin mixture to use during times of stress and during the final conditioning period prior to the show.

- Extremely palatable to encourage feed or water intake and provide supplemental nutrition.
- Use 5 oz per treatment thoroughly mixed in water or can be top dressed on feed.

(10 lb pail) #F100190235
(Box of 4 x 3 lb containers) #F100190233

DEFINITION is a water-soluble product containing a complex formula that has been researched to enhance appearance and definition of muscle as needed prior to entering the show or sale ring.

- Available in a pail of 20 packs
(10) - 4 oz. packets of Definition Base
(10) - 2 oz. packets of Definition Activator

(Tub containing 10 - Treatments) #F100283400

INHALE may be of benefit to show animals when additional intake is needed.

- Inhale is highly palatable
- Meal Form
- Offering "Inhale" can "Get them back on Feed"!

(50 lb bag) #F103206083

InMotion is a joint, hoof and skin conditioner. InMotion contains a natural source of glucosamine and chondroitin sulfate at high levels along with Biotin and chelated trace minerals for complete joint and hoof care.

- Feeding InMotion to pigs in conjunction with Paylean® or OptaFlexx® for calves may reduce pain associated with joint stress.
- Preconditioning with InMotion prior to feeding Paylean® is ideal.
- For optimal joint health, glucosamine and chondroitin sulfate should be supplemented for at least 30 days.

(15 lb pail) #F103206199

EXPLODE is a supplement containing Paylean® designed to be mixed with Sunglo pelleted or grind and mix complete show feeds.

- In addition to Paylean®, EXPLODE provides extra nutrition needed to maximize the Paylean® response.
- Mix ¼ lb of EXPLODE with 5 ¾ lb of show feed to obtain a 4.5 gram per ton level of Paylean®.
- Mix ½ lb of EXPLODE with 5 ½ lb of show feed to obtain a 9 gram per ton level of Paylean®.

(25 lb bag) #F103206185

FULL TANK is a nutritional product designed to increase the capacity and fill of the stomach.

- Adding FULL Tank maintains "gut fill" and keeps the fresh, expanded look.
- Reduces stress level and hard look associated with a low feed intake.
- Contains a probiotic to aid digestive function.
- Pelleted (½") and works best when fed dry.
- Expands and retains more water than beet pulp.

(50 lb bag) #F103206205
